**Agenda –**

- ✓ Call for order
- ✓ This is a meeting to bring all members align to one goal of SSNEF which is above their personal agenda. The members were reminded by Jagmohan Singh Chadha regarding democratic process in case of disagreements. This means that voting may occur if required and majority rules and then all members respect the result. Also, all are volunteers and should respect each other time and efforts.
- ✓ Item 1 – Sanjay Arora resigned from the Board. The resignation was accepted unanimously. There were back and forth conversations on improving communication, and better planning.
- ✓ Item 2 – Change of President. The Board of Directors resolved that there is an urgent need for change of Board President Gurdial K Singh due to her work ethics issues, profane language and lack of leadership. President is converting the holy place to a gossip center leading to chaos. She has set the Langar fees without discussing with all board members. She didn't deposit donations collected during Vaisakhi celebrations (April 13 – April 15, 2018) to treasurer until she was reminded during this meeting. The receipt must be issued for every dollar received. Kulwant Singh Bal clarified that this motion is only to change President and she can continue to dispense her duties as Board member. Yuvraj Gill presented the motion after President refused to step down which was seconded by Sukhbir Singh to vote.

YES – Yuvraj Singh, Sukhbir Singh, Kulwant Singh Bal and Reena Chadha

NO – Jagmohan Singh Chadha

She tried challenging the motion of change of President and didn't accept the outcome either. She was reminded several times to follow SSNEF constitution in functioning as a board member, but her response was always negative.
