- ✓ Call for order
- ✓ This is a Special meeting for making functional kitchen by April 13, 2018.
- ✓ Item 1 - All members present agreed that the Gazebo installed in the back is unsafe and extending out of the SSNEF property line. All members present felt that this could be a liability to our Society as the curtains and canopy is made up of highly flammable material, not wind and weather proof, and leading to encroachment. This Gazebo is installed by Gurdial Kaur and her husband Balbir Singh without entire board approval. They are hereby requested to get it removed as soon as possible. Additionally, SSNEF will not be responsible for any expenses and payments to handyman, store or any person whose services were used since it was not approved by board.  
Owner – Gurdial K Singh
- ✓ Item 2 – Instead all members present agreed on transforming the current kitchen to Functional Kitchen by installing new exhaust, cooking oven, tankless water heater, Professional stand mixer for dough making, new working table etc. and rearranging fridge etc. All members present agreed to get these changes at no expense to SSNEF, in other words each one will contribute.  
Owner – Yuvraj Gill
- ✓ Item 3 – Jagmohan Singh Chadha was assigned the custody of building keys and security access code. He will get a key for each board member by next meeting. At present, the following persons have the keys –
  1. Baba Ajit Singh Ajad
  2. Kulwant Singh Bal
  3. Balbir Singh (Gurdial K Singh's husband)
